ABOUT COMPANY

Nkonki and Associates Consulting cc is a black empowerment company being established to become a major player in the Project Management and Quantity Surveying profession in the construction industry. The firm has experienced and qualified personnel in the construction industry. We hope that we shall have the opportunity of being of service to your company.

KEY PERSONNEL

Our company has a strong resource base with core personnel who are well qualified and experienced in the field of Construction Project Management and Quantity Surveying. This wealth of experience, which they have built up in their respective careers, is reflected in the success of the many construction projects they have been involved in.
